KOSTER WILL NOT BE RESPONSIBLE FOR THE REPLACEMENT OF ANY PORTION OF THE INSTALLATION THAT IS NOT DEFECTIVE, REGARDLESS OF WHETHER SUCH NON-DEFECTIVE PORTIONS ARE REPLACED FOR COSMETIC OR OTHER REASONS.**

This limited warranty is further subject to the following limitations and conditions:

- 1) KOSTER products must be applied as per KOSTER application specifications on "structurally sound" and clean areas in which the concrete meets acceptable industry standards as defined in ACI Committee 201 Report, "Guide to Durable Concrete", (ACI 201.2R-01). If the areas to which this product is applied now or in the future fail to meet these standards, the aforementioned warranty shall be void. Substandard, defective or improperly placed concrete is not covered by this warranty.

- 2) The limit of KOSTER's warranty hereunder is \$5,000,000 per Project. For the purposes of this warranty a Project includes all work contracted to be performed for the customer at a location, even if the location includes more than one building, or floor, and regardless of whether the job is the subject of one or more purchase orders or dates of application.
- 3) The warranty shall be void if:
  - a) The areas are not properly prepared per KOSTER's product surface preparation requirements; or any substrate containing any bond inhibiting contaminants such as (but not limited to) organic hydrocarbons (oils, grease or solvents), penetrating surface sealers, curing compounds (both organic and inorganic), hardeners or densifiers, surface dust or dirt, adhesives or adhesive residue, old patch or underlayment material, improperly applied crack or expansion compounds or any other deleterious compounds or materials that may prevent proper performance and/or adhesion of the KOSTER products as revealed by post project or forensic testing;
  - b) There are any topically applied compounds or integrally added compounds such as unreacted water soluble silicates, Calcium Chlorides or Aluminum Stearates or any compound or material that acts or may act as a bond-breaker to surface applied systems or that causes efflorescence;
  - c) All industry standards for preparation and application and the KOSTER required guidelines for material coverage and/or surface preparation are not strictly followed (see product data sheets, specifications and literature);
  - d) There is a cohesive substrate failure in the concrete surface occurs resulting in a delamination of the KOSTER VAP I® 2000 due to (but not limited to) the following: Conditions within the concrete such as Alkaline Silica Reaction (ASR) and/or "Near Surface ASR" and any deleterious compounds that form within the concrete matrix that are considered construction defects or related conditions as revealed by post application testing;
  - e) The KOSTER products have been applied by an applicator not approved by KOSTER American Corp or their agents.
- 4) Defects in the concrete such as cracking which develop or are caused by structural changes or substrate movement or excessive deflection subsequent to product application are not covered by this warranty. Expansion and/or control joints must be addressed according to accepted industry standards; American Concrete Institute: (ACI); International Concrete Repair Institute: (ICRI), and other industry regulatory and/or compliance agencies or organizations.
- 5) KOSTER's obligation includes all labor charges incurred by KOSTER in removing the floor covering system, the failed KOSTER System and patch or underlayment; re-installing the KOSTER VAP I® 2000, underlayment and the final flooring system. KOSTER will cover ordinary and reasonable costs involved with moving conventionally packed inventory, furniture, equipment and other obstructions such that can be moved with fork lifts, hand jacks or by hand without any special precautions, equipment or personnel from the affected area. Equipment, furniture, fixtures or inventory that will require special or extraordinary handling is not covered by this warranty.
- 6) This warranty pertains to alkalinity and Moisture Vapor Emissions only and not to any liquid water (water head), incursion due to improper drainage, broken water pipes, slab or foundation defects or any other cause internal or external to the floor and also to any type of a positive gas drive permeating the slab which is beyond the cohesive limitation of the coating.

Subject to the foregoing, the sole and exclusive remedy due to a breach of this warranty shall be expressly limited to the repair of defective areas due to the failure of KOSTER products. This warranty is in Lieu of any other warranty and **KOSTER HEREBY DISCLAIMS ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FURTHER, KOSTER DISCLAIMS ANY LIABILITY FOR ANY CONSEQUENTIAL OR SPECIAL DAMAGES, INCLUDING, LOSS OF USE, LOST PROFITS, OR ANY OTHER DAMAGES OF ANY NATURE WHATSOEVER.**

To obtain this warranty, the following steps have to be adhered to, and if any step has not been timely complied with, no warranty will be issued and customer may not enforce any warranty described herein:

- 1) Prior to the beginning of the project, the KOSTER approved applicator must fill out and submit the "Pre-Job Checklist" to KOSTER.
- 2) After completion of the project, the KOSTER approved applicator must fill out and submit the Warranty Request Form to KOSTER for approval.
- 3) KOSTER must be paid in full for all materials in a timely basis.

The beneficiary of the warranty must provide KOSTER American Corporation, 2585 Aviator Drive, Virginia Beach, Virginia 23453, a written notice within thirty (30) days of the discovery of a breach of this warranty in order to assert its right to any repairs covered by this warranty. KOSTER reserves the right to physically inspect the site and obtain samples from the job installation and examine any and all forensic testing documents before any determination is made as to the validity of any claim. KOSTER reserves the right to reasonably schedule work and utilize techniques and products as necessary to complete repairs, and shall not be liable for any materials or labor ordered by any entity other than KOSTER.

This agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia, and all parties consent to jurisdiction in the courts located in the Cities of Norfolk and Virginia Beach, Virginia and agree that no other courts shall be an appropriate venue for any disputes arising out of the relationship between KOSTER American Corporation and the Customer.
