

# KOSTER Color Chips

Decorative colored chips for broadcasting into KOSTER epoxy resins

Technical guideline / Article number 6.029

Issued: October 1, 2013

### Features:

KOSTER Color Chips are decorative vinyl color chips composed of water-based resin materials, inorganic minerals, additives and various pigments. KOSTER Color Chips are integrally pigmented, brilliantly colored, random in shape, sized within a standardized range and they can be custom blended with infinite options to achieve optimal appearance and texture qualities with a resin-based flooring or wall-coating system.

### Use:

Use KOSTER Color Chips to coordinate your floors and walls with any décor. Our extensive line of color chips gives you the ability to custom design blends to match any color-scheme.

KOSTER Color Chips may be used in aircraft hangers, auto dealerships, banquet halls, bars, pubs & taverns, basements, bathrooms, bowling alleys, butcher shops, cafeterias, churches, clean rooms, commercial kitchens, dog kennels, garage floors, greenhouses, grocery stores, hallways, hospitals, industrial hallways, laboratories, laundromats, locker rooms, lunch rooms, night clubs, offices, pet stores, pharmaceutical plants, public municipalities, restaurants, restrooms, retail stores, schools, show rooms, stadium hallways, zoos and more.

### Sizes:

Sizing options ~1", 1/2", 1/4", 1/8", 1/16", 1/32"

### Standard Colors and Blends:

Either choose from one of our signature blend designs or creatively mix and match colors to develop a unique color array that best fits your project. Please refer to the KOSTER QF / CF system brochure for an overview over KOSTER standard colors, blends and color matching.

### Installation:

KOSTER Color Chips are broadcast by hand into the still fresh coat of KOSTER MPE so that a uniform distribution is achieved. The KOSTER Color Chips should be thrown upwards and not directly into the fresh surface. Prepared areas should always be completely treated in one work step to ensure a homogenous appearance.

### Coverage:

Chip Size	Full Coverage [ft <sup>2</sup> /lb]	Partial Coverage [ft <sup>2</sup> /lb]
~ 1"	8 - 10	25 - 200
1/2"	7 - 9	25 - 200
1/4"	5 - 7	25 - 200
1/8"	4 - 6	25 - 200
1/16"	3 - 5	25 - 200
1/32"	2 - 4	25 - 200

Coverage rates vary depending on customer preferences and application techniques. KOSTER does not guarantee exact coverage rates.

### Storage:

Store KOSTER Color Chips in an air tight poly-bag in a dry environment at room temperature to avoid moisture, humidity and product degradation.

### Limited Warranty:

KOSTER warrants that its product shall be in accordance with the specifications published in the current revision of the products data sheet. KOSTER covenants that in the event any of its products fail to meet their published specifications, KOSTER shall replace those products proved to be defective. KOSTER shall not be responsible for any incidental or consequential damages due to the breach of its warranties. Notwithstanding the foregoing, KOSTER's sole liability hereunder shall not exceed the cost of the defective product originally purchased. EXCEPT AS SET FORTH ABOVE, KOSTER MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED AND MAKES NO WARRANTY AS TO THE MERCHANTABILITY OR FITNESS OF THE PRODUCT FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. The user must determine if the product is suited for the intended use and the user must bear the risks and liabilities associated with it.
